

An update on where we are with the GRUAN Guide and Manual

Greg Bodeker

**Presented at 5th GRUAN Implementation and Coordination
meeting, De Bilt, The Netherlands, 25 February 2013**

Timeline since ICM-4

- First official version of the GRUAN Guide (version 1.1.0.0) was distributed to the Working Group on 21 May 2012 with a request to submit responses by 8 June.
- Responses trickled in over the next 6 months.
- A final version (1.1.0.1) was distributed on 2 January 2013 with the directive that people would have to **strongly object** to any marked up changes.
- On 29 January the Sites TT co-chairs (Dale and Belay) sent version 1.1.0.2 of the Guide and Manual to all GRUAN site reps asked for responses by 31 March of the form:
 - Sign-off as accepted with no changes required.
 - Sign-off as accepted with minor changes required. Your suggested changes must be marked up using the Word revision tools.
 - No sign-off as major changes would be required.

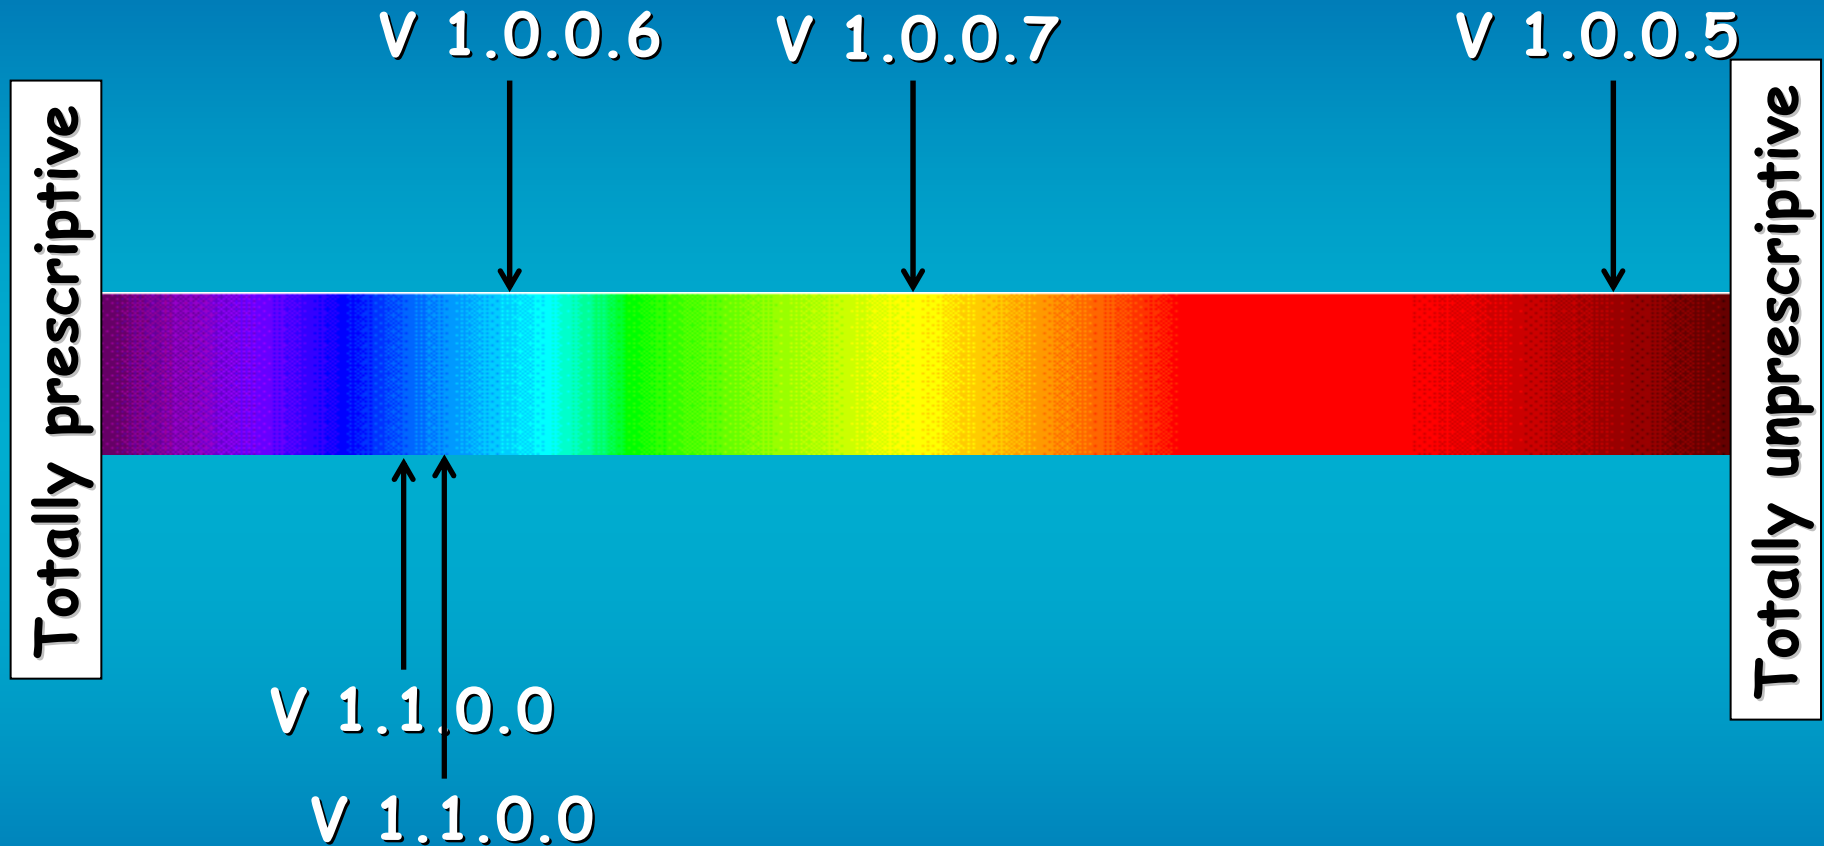

Latest news

The following sites have signed off on version 1.1.0.2:

- Boulder
- Potenza
- Payerne

Remaining issues

- Getting the balance right.

- Future revisions.
