

# Inputs to GRUAN from the Netherlands

Dr. R. Boers  
KNMI  
Netherlands

# •••• Cabauw Experimental Site for Atmospheric Research:

- A single institute cannot do it alone
- A single Government Department does not want to fund it alone [to date]

The Dutch solution: A consortium with distributed funding

Cabauw Experimental Site for Atmospheric Research

# Organization of the KNMI- Cabauw – site: the CESAR - consortium

- KNMI

- TUDelft

- Energy Centre

- Wageningen University

- ESA

- TNO

- RIVM

- KNMI is site manager

# Participation in International Gremia:

- Cesar Consortium / or subset thereof

- FP5 Cloudnet

- FP5 Cliwanet

- GEWEX-CEOP

- COST 720

- CG-CLIMET

- FP6 EUCAARI

- EUSAAR

- GRUAN

- The ESFRI list
